The County of Alameda is an Equal Opportunity Employer

Alameda County Department of Child Support Services

Who We Are

At Alameda County Department of Child Support Services, our Core Purpose is to support and secure a thriving future.

We are a service agency committed to providing quality child support services to parents for the care and wellbeing of their children.

We work directly with parents and communities to carry out our mission of encouraging responsible parenting, family self-sufficiency and child wellbeing.

Our Team

Child Support Specialists perform a variety of work related to establishing medical and child support orders in addition to negotiating and collecting child support payments.

A successful Child Support Specialist:

- Is committed to public service
- Is a self-starter
- Enjoys collaborating in a diverse environment
- Welcomes challenges and loves seeking resolution
- Takes action for positive outcomes
